

# Distant Adoption Scheme

Dear Sponsor,

Thank you for your interest in the WWSL Distant Adoption programme. This programme has been set up for those in the UK wishing to support Bishop Jeremiah Kibobi in his work with disadvantaged and orphaned children in Nairobi.

Worldwide Silver Lining is a small UK charity that supports the work of VICODS, a non-Government organisation that runs Magnet school. The organisation is sustained by voluntary donations, and places a particular emphasis on supporting disadvantaged and orphaned children. One of the aims of WWSL is to help give young people in Kenya a better start in life, and to help children who have no-one else to turn to.

Magnet school provides for around 200 children and young people, from Junior school to Senior school age. It boards over 100 students, and the adoption scheme is particularly designed to support the education and welfare of these children. We are also a registered charity, and so will be able to inform you about gift aid.

## The Options

### *Magnet High School*

To support the school fees of a residential student will cost £20 per month. Unless you request a specific student, your money will go towards supporting those students who cannot support themselves.

### *Magnet Academy (Juniors)*

For £15 a month, you can support an orphan at the Magnet Academy, on the same site as the High school. The donation will be used to help support the costs of

providing food, clothing, medicines and basic schooling to all the children. Again, if you would prefer to sponsor a particular child, please let us know.

## The Next Move

Please consider which institute you would like to support and fill out the attached form. We would ask you to set up a standing order as soon as possible for the beginning of each month. Alternatively, you can donate a lump sum for the year.

For more information on the work of Worldwide Silver Lining, visit [www.worldwidesilverlining.org.uk](http://www.worldwidesilverlining.org.uk).

## Standing Order Details

Worldwide Silver Lining

Company No: 4521774 / Charity No: 1094963

Adams & Co PLC, 22 Kings Street London SW1Y 6QY

Sort Code 83-91-36
